

LEARN TO PLAY ADAPTIVE GOLF CLINICS

PRESENTING SPONSOR

Proceeds from this event will allow Adaptive Golf Iowa (AGI) to continue its mission to spread joy through the game of golf to many people in our community with physical and cognitive health challenges.

AGI conducts free clinics and other events throughout the summer season which provide a platform for all people to feel included in their abilities to learn and play the game.

Benefits of adaptive golf include:

- Builds confidence
- Builds strength and endurance
- Reduces the effects of PTSD and Depression
- Allows everyone access to the game
- Gets people moving
- Develops a sense of camaraderie

LEARN TO GOLF ADAPTIVE GOLF CLINICS

Our clinics are FREE to anyone with a disability who would like to learn how to swing a golf club, use the adaptive golf equipment, or just want to have fun.

There will be instructors on hand to help with proper techniques and encouragement to help those with a disability learn how to swing the golf club and build confidence in overcoming challenges through the game of golf.

REGISTER ONLINE AT ADAPTIVEGOLFIOWA.COM

Please call **319-230-2947** or email
info@adaptivegolfiowa.com with questions.

There will be a limit of 12 people per session. Reservations are taken on a first-come-first-served basis. If emailing your reservation, please include the name of the participant, age, type of disability, phone number, and name of the guardian. Also, please add if you will need to use one of the adaptive golf carts.
